### Kasteel De Hoogenweerth Joins Maastricht

The Maastricht Convention Bureau has a new participant with Kasteel De Hoogenweerth recently joining the foundation, lifting the total number of participants to 45.

The Maastricht Convention Bureau is a foundation which promotes Maastricht & surrounding area as a destination for conventions and corporate meetings, both in The Netherlands as well as abroad.

Next to that, the foundation offers objective, independent advice and mediation to people who would like to organise their convention, meeting, incentive or event in Maastricht & surrounding area.

The Maastricht Convention Bureau is glad to welcome Kasteel De Hoogenweerth said Director Marcel Knols.

*"We continuously aim at high-quality cooperation with venues and services from Maastricht & surrounding area. This is very important, not only for meeting bookers, who can make use of our services entirely free of charge, but for our participants as well.*

*"They can more successfully work together and do business with each other, as being participants."*

Kasteel De Hoogenweerth - located on a peninsula in Maastricht alongside the river Maas - is surrounded by a very large and beautiful garden.

Maximum capacity of Kasteel De Hoogenweerth is 357 people, although it is possible to extend this capacity by placing large tents in front of and behind the castle.

The castle is well known for its old and romantic exterior.
